SUMMARY OF AMENDMENTS (017139, 018769): Amendment 017139 deletes the language of the original bill. Creates a program in Davidson County to allow persons whose driver's license has been suspended and who owes an outstanding judgment for citations over five years old to make a single payment of all state or county fines or costs at a reduced rate of 50 percent during the first six months of the fiscal year. Authorizes the Department of Safety to accept certification of payment in order to restore the person's driving privileges. Repeals this program on June 30, 2012, unless extended by the General Assembly. Authorizes all counties to include fines and costs for a conviction of driving while suspended in payment plans, subject to court approval.
